Re: 2010 Main Street Latin Festival

Dear Mr. Padilla:

Nationwide Insurance participated in the 2010 festival. We felt it was a great success. Our booth had visitors during the entire day. We got about 300 names and addresses as a result of the festival. To top it off, the Nationwide associates that worked that day had a great time. We have the 2011 festival on our calendar, and are looking forward to you attending.

Sincerely,

Sandy Morgan, CPCU, AIC
